24 May 2012. Dear Mark what a
pleasure to spend time in your
company - talking of Bonnie Tighe
& Leonard, the Times & past
& present - books ephemera &
stuff - Lunch at your new
happily not quite so archaic
Worcester City Club - oh women -!
good food - happy recollections -
all quite terrific. I thought the
Julien Hudson though small - enorm-
ously interesting - I've learned
something!! in fact quite a number
of things - I had never seen a
copy of the first anthology of African
American / indigenous poetry / writers /
New Orleans - 1845 - nice! -
Do do come to visit - lunch or tea
booking or not - one of these days -
Thank you - for being you! unchanged! -

with great affection Lisa / Thank you for it - Grassby
